East of England winner

My different friend

It is ok to play with different people said Millie,

Be kind, no name calling, let them join in,

Let's talk about things.

Speak up, Stop it, I don't like that.

Let's just play together,

Let's just get along,

I'll help you up now you have got hurt.

We are excited again,

We are just the same,

We smile, we laugh (she giggles)

I beam; we are just the same.
