

DEEPING ST JAMES COMMUNITY PRIMARY SCHOOL

Disclaimer for Child to wear Taped Earrings during Physical Education Lessons

Dear Parents/Carers,

Jewellery is not permitted to be worn during any Physical Education activity at Deeping St James Community Primary School or when representing the school for out-of-school events, for safety reasons. As a school we follow the up-to-date guidance from **'Safe Practice: in Physical Education, School Sport and Physical Activity'** to comply with **Health & Safety**.

School suggests pupils have any piercing at the beginning of the summer holidays so that by the time pupils return in September earrings can be removed. The child needs to remove earrings themselves when in school – staff are not permitted to do this – so if a child is unable to remove them we suggest that earrings are removed by a parent/Guardian on PE days.

Any parents who have their child's ears pierced during term time need to complete the disclaimer form, available from the school office, for the child to access the statutory P.E curriculum. By signing this, parents take full responsibility for their child and they will **NOT** hold the staff or the school responsible or liable for any resulting damage or injury to their child as a result of taped earrings in Physical Education Activities. Parents are also agreeing to supply micropore tape for the pupil to cover their earrings during these statutory sessions. Thank you for your co-operation.

Thank you for your cooperation, Mr Westley
