# DEEPNG ST JAMES COMMUNITY PRIMARY SCHOOL P.E. AND SPORT PREMIUM REPORT FOR 2023/2024

## What is it?

A school must use the Premium to develop or add to the PE and sport activities that it already offers and make improvements now that will benefit pupils joining the school in future years. The governors and staff of Langtoft Primary School share the aim that all pupils leave school with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport. Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision. Schools should not use funding to employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements (these should come out of a school's staffing budgets) nor teach the minimum requirements of the national curriculum, including those specified for swimming.

## Our school's intent

We recognise the importance PE plays in the curriculum and we are committed to providing all children with opportunities to engage fully in Physical Education. The aim of our PE programme is to develop children's basic physical competencies, build confidence in their ability and build the foundations for a lifelong love of sport, physical activity and a healthy lifestyle. PE lessons encourage children to compete against themselves and others whilst being challenged to improve their physical, social, emotional and thinking skills. We follow the Get Set for PE curriculum which focuses on skills development in each individual sport and puts health and well-being at the core of learning. Combined with the children's development of agility, gross motor skills, cognitive thinking, balance, coordination, healthy competition and team work, the lessons also provide opportunities for children to develop essential life skills such as resilience, values, fairness, respect and an appreciation of the importance of a healthy and active lifestyle. Our curriculum is designed to motivate and challenge our pupils in engaging, fun PE lessons that are accessible to all, and allow all of our pupils to achieve their potential. Children are also encouraged to develop their leadership skills through PE and school sport. During lessons, pupils will have opportunities to coach and lead activities for their peers and learn how to provide and respond to feedback. To enhance our pupils' learning, Langtoft Primary School enters teams into a range of interschool and intra-school competitions, events and tournaments. We actively promote good sportsmanship. Children learn to care for their bodies both physically and mentally and are encouraged to develop a growing selfawareness, resilience, positive attitude and commitment to self-improvement through setting goals, so that they are ultimately able to influence their own quality of life. We also invite guest coaches and speakers to deliver taster sessions for the children. This gives children wider experiences of alternative sports that aren't delivered in lessons.

## Swimming Data

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. <b>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</b>	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2023. Please see note above What percentage of your current Year 6 cohort use a range of strokes effectively [for example,	<b>67%</b>
front crawl, backstroke and breaststroke]? Please see note above	<b>30%</b>
<b>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</b>	<b>63%</b>
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes/ <b>No</b>
